RED X:

This non-traditional blend offers an enticing bouquet of rich berries, cherry, blackberry and pepper, which complement the beautiful ruby red hue of this wine. Good structure from the Tempranillo, gentle sweetness and a fleshy mouthfeel imparted by the Grenache create a well balanced wine with moderate spiciness and softer notes of vanilla on a smooth finish.

Posse:

Founded in 1989, The Posse Foundation identifies public high school students with extraordinary academic and leadership potential who may be overlooked by traditional college selection processes. Posse extends to these students the opportunity to pursue personal and academic excellence by placing them in supportive, multicultural teams—Posses—of 10 students. Posse partner colleges and universities award Posse Scholars four-year, full-tuition leadership scholarships.

How and why X Winery become involved:

X Winery believes in Posse's mission to identify and develop the next generation of leaders from diverse backgrounds. We recently introduced a special bottling of our popular Red X and White X blends to support Posse's wonderful work. All profits from sales of this special bottling will be donated to The Posse Foundation.
