WHITE X:

Bright citrus notes of lemon and grapefruit open on an enticing, fresh nose. The palate continues with fruit flavors of apricot, peach and orange blossom. Crisp acidity from the Sauvignon Blanc and Albariño is complemented by luscious tropical fruit and a hint of honey from the Chardonnay creating a well balanced white wine.

Posse:

Founded in 1989, The Posse Foundation identifies public high school students with extraordinary academic and leadership potential who may be overlooked by traditional college selection processes. Posse extends to these students the opportunity to pursue personal and academic excellence by placing them in supportive, multicultural teams—Posses—of 10 students. Posse partner colleges and universities award Posse Scholars four-year, full-tuition leadership scholarships.

How and why X Winery become involved:

X Winery believes in Posse's mission to identify and develop the next generation of leaders from diverse backgrounds. We recently introduced a special bottling of our popular Red X and White X blends to support Posse's wonderful work. All profits from sales of this special bottling will be donated to The Posse Foundation.
