## TASTING NOTES:

---

The Tri-County (X3) Cabernet Sauvignon is a blend from three distinct premium California counties. The explosive 2008 vintage screams lushness! Layers of juicy dark cherry, black currant and blueberry flavors blends well with silky tannins and vibrant aromas.

## VINTAGE/VINEYARD NOTES:

---

The 2008 vintage proved to be one of the most dramatic. Despite a severe April frost and low tonnage, quality and flavor development were high. More concentration on flavors can be detected in both reds and whites.

A portion of this wine is sourced from Lake County, High Valley Appellation. The property runs along a steep volcanic ridge at an altitude of 2100 - 2400 feet. The fruit sourced from Sonoma County lie in the northern parts of Sonoma and the Napa County grapes are pulled from Yountville and St. Helena.
